OBJECTIVE

As a passionate computer science student from UBIT, I am eager to secure a position as a Software Engineer or web developer. I am determined to find a company that values collaboration, employee growth, and a positive work atmosphere. Committed to dedicating my skills and efforts to ensure the organization's success.

WORK OR EXPERIENCE

Virtual Internship at **LetsGrowMore** and **CodSoft** [August 2023] - Present

- Engaged in a virtual internship program at LetsGrowMore and CodSoft, gaining practical experience and exposure in the industry.
- Collaborated with teams on real-world projects, contributing to the development of cutting-edge solutions.

PROJECTS

•Developed several basic web projects showcasing proficiency in HTML, CSS, and JavaScript.

•Implemented interactive features and responsive designs to enhance user experience.

• **OLX-Clone and YouTube-Clone:**

- Successfully recreated the popular websites OLX and YouTube using HTML, CSS, and JavaScript.

EDUCATION

BS in Computer Science
